

Lessee here: Tiger hadda
put his shoes on in the park-
ing lot, and so he scorched

around the course and won
by 5. Man Alive! he burned

with righteous flame. Most Blacks
persisted in misreading rules then
judging them Crap. Boyish Righties

claim presently that women
voice absurd temerity to object
to routine rapes by macho power

freaks. Gals once nervily protested by
employing "Cancel Culture" tactics
to gain remotest Justice, Fox

laughing, decries such, knowing how
GOP-loving Blivets butter their bread.

Talk is cheap, but all I got. That said:
America we luvyuh even though you're,
like, totally fulla SHIT!
